FUTURE

One of the Greenwich students who have benefited from this programme and are now successful in their chosen University course.

IAN BANKS

**Post 16 Centre - Woolwich Polytechnic
University of Greenwich Course -
HND Civil Engineering Studies**

Ian a former student of Woolwich Polytechnic School has started his HND in Civil Engineering at the Medway home of the University of Greenwich.

His school say of Ian "always a hardworking pupil who aimed to please. None of his family had ever attended university before but with their support and the help from the Passport Programme Ian is now happily studying at University."

Ian had not intended to go to University this year but was encouraged to make a late application and succeeded, he is now enjoying life as an undergraduate student.

GEMMA HASSAN

**Post 16 Centre - Blackheath Bluecoat
University of Greenwich Course -
BA Hons Business Studies**

A former student of Blackheath Bluecoat School where her tutors say of her: "Gemma passed Turkish "A" level and under took an AVCE in Business. Gemma participated in the Passport Programme that gave her the extra points and credibility with the University of Greenwich to enable her to start her degree. Gemma is the first member of her family to progress into higher education."

Gemma will tell you she would not have achieved her place at University without the passport programme, now attending at the Maritime site she is 'loving it'.

BILLY FENDER

**Post 16 Centre - The John Roan
University of Greenwich Course -
BA Primary Education QTS**

Billy completed his A levels at the John Roan School and has been accepted by University of Greenwich on to a Primary Teaching course. Billy's school say that he is: "A cheerful, thoughtful, active member of the sixth form intelligentsia."

Billy will be first in his family to go to University. He has attended a number of Aimhigher activities put on by Greenwich Council including the year 11 Summer School.

Billy's career ideas came from his voluntary work in primary schools. He is a great role model for younger children, and has signed up to be a student ambassador, a strong role model to others deciding that University could be for them!

TOSIN OSINOWO

**Post 16 Centre - Blackheath Bluecoat
University of Greenwich Course -
BA Hons Business Studies**

A former student of Blackheath Bluecoat School. He has commenced a course in business at University of Greenwich. His head of sixth form says: "Oluwatosin gained a Dual Award in AVCE Business having arrived in England three years ago with very little English. He participated in the passport programme that enabled him to get the extra points to take him to the University of Greenwich. A popular student with a good sense of humour he is the first of his family to go to University."

Tosin also took an NVQ in Business Administration at the School. As well as his academic studies Tosin helped in his school by supervising the younger children and undertaking library duties.

KAMAL SINGH

**Post 16 Centre - Woolwich Polytechnic
University of Greenwich Course -
BSC Hons Business Information Technology**

Kamal a former student of Woolwich Polytechnic School is now attending University of Greenwich with the help of the Passport Programme

His school says: "Kamal was always ambitious and wanted to attend the University of Greenwich. An able and intelligent pupil, Kamal was often held back because English was his second language. The Passport Programme helped Kamal overcome many of the hurdles of going to university.

ROZGAR SALAHI

**Post 16 Centre - Kidbrooke
University of Greenwich Course - LLB Law**

Rozgar has just completed her A levels at Kidbrooke School. She has been accepted by University of Greenwich to do an LLB Law.

Her head of sixth form says: "Rozgar overcame significant obstacles to achieve her place at the University of Greenwich. The Passport scheme was instrumental to ensuring her progress. 'Passport' has enabled Kidbrooke School to widen university participation successfully."

Rozgar joined the school in 2001, as an asylum seeker from Iraq. She took part in Aimhigher activities such as the Academic Language Development Programme at Kings College University.

A determined young woman who will be the first in her family to go to University and is interested to go onto specialise in criminal law.
